Millennium Systems International Named a Top New Jersey Workplace, Top Technology Workplace, and Top Remote Workplace

Fourth consecutive Top Workplace honor reflects MSI's culture of innovation & teamwork

PARSIPPANY, NJ: Millennium Systems International (MSI), the maker of Meevo, the award-winning salon, spa, and med spa software platform, is proud to announce it has been recognized as a **2025 NJ Top Workplace** for the fourth consecutive year. In addition to this core honor, MSI also earned two specialty awards: **Top Technology Workplace** and **Top Remote Workplace**, underscoring the company's culture of innovation and flexibility.

"We're incredibly proud to be recognized again as one of New Jersey's Top Workplaces," said Connie Certusi, CEO of Millennium Systems International. "These honors reflect the passion, innovation, and commitment of our team, whose work continues to shape the future of beauty & wellness technology."

This recognition celebrates MSI's continued investment in a people-first culture that blends high performance with flexibility, connection, and purpose. With a primarily remote team structure, MSI empowers employees to do their best work from anywhere, while delivering best-in-class solutions to the beauty and wellness businesses Meevo serves.

"We know that innovation thrives when people feel supported and inspired," said Talie Birnberg, VP of Human Resources & Compliance. "This recognition affirms our commitment to creating an environment where flexibility and connection go hand in hand, enabling every team member to grow and take part in our collective success."

2025 Areas of Recognition
